HIS Honour the Lieutenant-Governor has been pleased to make the following Rules of Court:—

3. Notwithstanding the next but one preceding Rule, and unless otherwise ordered in any case by the Court or a Judge, any trial may proceed in vacation when notice of trial has been given before vacation, or where an order shall have been made before vacation directing the trial during vacation, and for the purposes of any such trial, as mentioned in this Rule, amended pleadings may be ordered and delivered during vacation; and where in any case application is made for further time to deliver any pleading or to take any step in the cause, the effect of which would or might be to prevent notice of trial being served before the commencement of vacation, or the making before vacation of an order for trial, the Court or a Judge, in granting such further time, may impose upon the party applying for such further time the condition of going to trial during vacation, and thereupon such trial may proceed during vacation.

4. Nothing in these Rules shall interfere with applications for judgments under Rule 75 of the "Supreme Court Rules, 1880," nor with the assessment of damages in cases of judgment by default.

5. Nothing in these Rules shall interfere with the pending sittings of the Full Court, nor with the right of appeal to the Divisional Court from any interlocutory order, or the refusal of any interlocutory order.

A By-Law Granting the Right and Privilege of Erecting, Constructing and Maintaining a District Telegraph System in the City of Vancouver, Province of British Columbia, to the Undermentioned "British Columbia District Telegraph and Delivery Company, Limited Liability."

THE Municipal Council of the Corporation of the City of Vancouver, enacts as follows:—

1. That the said British Columbia District Telegraph and Delivery Company, Limited Liability, and their assigns, hereinafter called the grantees, be and they are hereby granted, for the period of fifty years, the right and privilege of erecting, constructing and maintaining in, along, and over and under any and all the streets of the City of Vancouver what is known as the District Telegraph System.

2. The said grantees shall have the right to and shall erect the poles and stretch the wires of their said telegraph system so as not to interfere with the free and unobstructed use of the streets, and place the wires of their telegraph at such points and at such height as shall be designated by the Board of Works of the City; said poles shall be dressed and painted in a neat and satisfactory manner, and shall not be less than thirty (30) feet in height and properly proportioned throughout, subject to the direction and control of the Board of Works of said City, and the said British Columbia District Telegraph and Delivery Company, Limited Liability, shall pay to the said City for every pole owned and used by them on any street or lane in the said City the sum of five dollars annually.

3. Whenever it shall become necessary for the erection or repair of such telegraph for said grantees to dig into, or in any manner interfere with, any public street, or any part thereof, the grantees and their assigns shall have the right, upon application in writing to the City Council and leave having been granted so to do by the said Council, and shall without delay put the street in as good condition as it was before it was so broken up, dug or disturbed, and shall remove from the street all surplus sand, earth, rubbish or other material caused thereby.

4. Whenever any person or persons, company or corporation shall have obtained permission of the Council to remove any building, structure or edifice through any street or streets of the said City of Vancouver, with which the lines or wires of the grantees shall in any manner interfere, the said grantees shall, upon twenty-four hours' notice from such person or persons, company or corporation, raise or remove said lines or wires so as to allow free and unobstructed passage of any such building, structure or edifice; and if the said grantees shall neglect or refuse upon such notice to remove or raise such line or lines, said line or lines shall be removed or raised by the Council at the expense of the said grantees, so as to admit of the free passage of such building or edifice or structure.

5. Whenever it shall be necessary in grading any street or alley of said City, or in building any sidewalk, or making any other improvement thereon, to remove any pole or poles belonging to said grantees, or on which any line or lines, wire or wires, belonging to said grantees shall be stretched or fastened, the said grantees shall upon receiving twenty-four hours' notice from the contractor, or other person having charge of such grading or other improvement, remove such pole or poles, and if said grantees upon such notice shall neglect or refuse to remove such pole or poles, then such pole or poles shall be removed by the Board of Works at the expense of said grantees.

6. The said grantees in consideration of the rights and privileges hereby granted, hereby agree and covenant to indemnify the Corporation of the City of Vancouver from any injury arising from, or any casualty or accident to person or property, by reason of any neglect or omission to keep said poles and wires in a safe condition, and for all valid claims against

7. The Corporation of the City of Vancouver reserves the right to repeal this by-law whenever in the judgment of the Council of said City a repeal is necessary, on paying to the Company, or its assigns or successors, the actual costs of the works erected by them, less depreciation in value, together with ten per cent. thereon.

8. The said Company shall file the acceptance of the conditions hereof, and commence the work of construction within two months from the date of the approval hereof, otherwise this by-law shall be null and void.

9. This by-law shall take effect and be of force upon the filing of said acceptance, and from and after the same shall have been published for seven days.

10. The grantees shall, whenever ordered by the Corporation of the City of Vancouver, place their wires underground, and in respect of removing and so placing of their wires underground shall have no claim upon said Corporation in respect of vested rights or otherwise.

11. Nothing herein contained shall be taken or construed as giving exclusive rights to the grantees, or as operating to prevent the Corporation of the City of Vancouver granting similar and concurrent rights and privileges to any other persons or companies.

RICHMOND BY-LAWS.

LULU ISLAND LOCAL IMPROVEMENT BY-LAW.

A By-Law to raise by way of loan the sum of \$50,000 for the purpose of Dyking and Draining the eastern portion of Lulu Island.

WHEREAS a majority in number of the owners of property on Lulu Island lying to the east of Road No. 5, according to the last Revised Assessment Roll, being for the year 1890, have petitioned the Municipal Council of the Township of Richmond to take the necessary steps under the authority conferred on Municipal Councils by Section 98 of the "Municipal Act, 1889," and the Acts amending the same, for dyking and draining that portion of Lulu Island lying to the east of said Road No. 5;

And whereas the Council of the Municipality of Richmond have procured the services of Garden, Hermon & Burwell, Provincial Land Surveyors, to examine the locality proposed to be dyked and drained, and to report on the feasibility of the scheme;

And whereas said Garden, Hermon & Burwell have examined said locality and have reported, recommending the construction of said work;

And whereas said Garden, Hermon & Burwell have prepared plans and estimates of the work and have made an assessment of the real property to be benefited by such dyking and draining, with the proportion of benefit to be derived by such dyking and draining by every lot or portion of lot, as hereinafter set out;

And whereas said Council is of opinion that said dyking and draining are desirable and that a loan should be raised for that purpose, to be paid with interest in twenty years at furthest from a day hereinafter to be named;

And whereas the sum required for the purpose aforesaid is fifty thousand dollars;

And whereas a special rate upon the lands to be benefited is to be assessed and levied annually for the payment of the interest on said loan and for the creation of a sinking fund for the payment of the principal, as and when the same shall, respectively, become due;

And whereas it will require the sum of two thousand five hundred dollars annually for the payment of interest, and two thousand five hundred dollars annually for the creation of a sinking fund, for the payment of the principal during the period in which this By-Law shall be in force and effect;

And whereas the present indebtedness of the Municipality aforesaid is \$30,000, on which no interest is in arrears;

Therefore the Reeve and Council of the Municipality of Richmond in Council assembled, enact as follows:—

1. That the said report of Garden, Hermon & Burwell be adopted, and that the work contemplated therein be proceeded with, as far as may be found practicable, in accordance with said report, and that the property in the schedule hereunto attached, and marked "A," (which said schedule shall be read with and form part of this By-Law), which property is to be benefited by such dyking and draining as reported on by the said Garden, Hermon & Burwell, shall be assessed by special rate or proportion as in said schedule set out for the payment of the costs of said work, and that the money for the constructing of such work be raised by loan as hereinafter mentioned.

2. It shall be lawful for the Reeve and Clerk of the said Municipality to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of Debentures, hereinafter mentioned, a sum not exceeding fifty thousand dollars (\$50,000), and cause the same to be placed in the Bank of British North America, Vancouver, B.C., to the credit of the Municipality for the purpose and with the object above recited.

3. It shall be lawful for the said Reeve and Clerk to cause any number of debentures, of not less than one hundred dollars each, to be issued; said debentures not exceeding in the whole the sum of fifty thousand dollars, and all such debentures shall be sealed with the Seal of the Corporation and signed by the Reeve and Clerk of the Municipal Council.

4. The said debentures shall be made payable in

twenty years from the date hereinafter mentioned for this By-Law to take effect, at the Bank of British North America, Vancouver, B.C., and shall have attached to them *coupons* for the payment of the interest.

5. The said debentures shall bear interest at the rate of five per centum per annum from the date of sale thereof, which interest shall be made payable half yearly on the fifth day of May and fifth day of November, respectively, in each year until said debentures are paid.

6. For the purpose of paying said interest and creating a sinking fund for the repayment of said principal a special annual rate shall be assessed, levied and collected on the lands to be benefited, as per schedule hereto annexed.

7. That said rates shall be assessed, levied and collected in the same manner as taxes in each and every year until said debentures shall be paid off.

This By-Law shall come into force and effect on and after the 5th day of May, A.D. 1891.

This By-Law may be cited for all purposes as "The Lulu Island Local Improvement By-Law, 1891."

Passed the Municipal Council this 11th day of April, A.D. 1891.
